BOSKOOP - HOLLAND

Cable-Address: KALLEN BOSKOOP

A B C Code 5th Ed.

TERMS OF SALE

Unknown parties, should accompany orders with bank or trade references, or cash for which 5 0/0 may be deducted.

Goods in this catalogues are offered subject to being unsold upon receipt of order, also to shortage or failure of crop or other causes beyond control.

Canselations are not allowed and parties wishing to have orders once placed cancelled agree to pay any damage or loss in profit etc.

All goods travel at purchaser's risk and are covered by marine insurance.

Prices are understood to be at nurseries, cases and packing materials are to be charged extra, at cost.

Please note that our trees, shrubs, plants, bulbs and other similar goods are insured until arrival at destination with the condition: **free from particular average under 3 0/0 etc., series of one collo.**

In case of claim to apply to the nearest Lloyds Agent, or in absence of Lloyds Agency to a competent surveyor to have the nature and extent of the damage ascertained.

We give no warranty express or implied, and will in no way be responsible for the results of planting, or forcing of any plants, shrubs, roots, etc. sent out.

- Victor Hugo** (Crousse 1856). *Brilliant carmine red. Excellent cutflower. One of the very best of deep glowing peonies p. 100 \$ 20*
- Volcan** (Lemoine 1898). *A most intense dazzling red in full medium sized imbricated flowers . each \$ 0.75*
- Yeso.** *Imbricated flower with pure white guards, inside petals smaller and with a yellow shading each \$ 1*
- Zoë Calot.** *Very large globe shaped flower, well filled. Delicate pink p. 100 \$ 6*

We beg to call the attention of prospective buyers to the fact that we give a minute discription of the Peony varieties we offer.

We guarantee our varieties true to discription. When investing money in Peonies buy from firms which are not afraid to do what we do.

PÆONIA OFFICINALIS.

	p. 100	p. 1000
Officinalis rosea superba (new)	\$ 15	
" " plena	5	\$ 45
" rubra " 	5	45
tenuifolia flore pleno	9	80
" simplex	8	65

We call your **special attention** to our special offer on double fringed leaved Peonies.

PÆONIA OFFICINALIS ALBA PLENA.

This is the **true** double white, flowering with **pure white** flowers, from the start and being a great advantage over mutabilis, which only turns white at the end of its flowering period. Everybody recognizing the value of such a pure white cutflower, fully 2 weeks ahead of any white Chinese Peonia, should take stock, p. 10 \$ 5, p. 100 \$ 40.

PHLOX DECUSSATA.

(HARDY PHLOX).

One of our specialities. More than 100 varieties in the best and latest improved novelties, can be supplied in quantities. For extra large quantities we solicit your correspondence.
